SOUTH NEWINGTON NEWSLETTER

SUMMER 2021

BUMPER SUMMER PRE-FLOWER SHOW EDITION

Saturday August 7th

Entries to the tent 8.30 – 10am
Show starts 1.30 pm

South Newington Parish Council - Update

At our last meeting on the 25th of May, Peter Thomas stood down as Head of the South Newington Parish Council and we all had a lot to thank him for. Peter has been a great leader, peace keeper and kept us all together over this last peculiar year, making sure we continue to serve the parish with the same rigour as previous years. We couldn't be more grateful to Peter for his tireless work for the Parish. Some examples include: persevering with highways and overseeing significant works to our drains, keeping our roads and lanes clipped and clear, overseeing funding for a project getting a disability ramp fitted at the entrance of the poleaxe. This meant the wonderful renovation to the structure and flower borders of the Poleaxe, which he the also managed, can be enjoyed by more of us. These are just a few examples and Peter stepping down is a great loss to the village. I just hope in taking over the role I can caretaker the duties as well as he did. Thank you, Peter, from us all.

As we see things open up a little for our parish and we start to have parish meetings together in the village hall again, it would be lovely to see more of you attending. Villagers are always very welcome and encouraged to join our meetings. It is imperative we know what direction you all want our efforts to go in. My plan for the Parish Council is to help maintain the village as a wonderful place with its great shared spaces; we want to make sure that we evolve the village to be the very best it can be.

Please contact me if you have any issues or anything you would like to raise.

Vanessa Doyle, Acting Chair SNPC

Dates of next Parish Council meetings

21 September, 23 November 7.30 pm start in the Village Hall

Village Picnic Sunday 25 July at the Village Hall, 12 p.m.

There will be tables, chairs, gazebos, a few rugs and cushions, waiting for you on the Hall lawn, and tables for the food you bring to share. The Hall will provide disposable plates and cups, plenty of napkins, some cutlery if you need it, with tea, coffee and soft drinks for sale. If you prefer wine you are welcome to bring your own, with glasses please.

The idea is that everyone brings quite a lot of one or two dishes, say, so that we can make a buffet and share them all. There could be bread, wraps, etc., fillings for them, sandwiches, other savouries, salads, fruit, cake and biscuits - finger foods best. For suggestions please contact pam.a.bailey@ googlemail.com [01295720197] who'll be trying to keep track of what may be coming.

It would be nice if there were a musician or two, nice if the weather were decent, nice to be together again. Looking forward to seeing you.

WELCOME TO THE VILLAGE

A warm and very delayed welcome to Angela Murrey and Arthur to No 8 St Peters Close, who moved here from Barford St John, also to Jane and Geoffrey Lennox who moved to the Manor from Yarnton. And last but most recently and not least, Faye Williams and her partner Harry Hale who have moved to the Dairy Cottage, the Old Farm Yard.

If you or someone you know has moved to the village recently please let me know. There is no official notification system when people arrive, we just try to say hello and welcome new folks. If you're missed off the list or have any other news you'd like to share please get in touch!

Email Nicky Smith SouthNewingtonNewsletter@gmail.com

We're also delighted to welcome some new puppies to the village:

Bramble's puppies (The Whittle Family)

Daphne, a new friend for Poppy (The Swans)

Talking of dogs, don't forget to enter your dog into the Flower Show dog categories

SOUTH NEWINGTON FLOWER & PRODUCE SHOW 2021

The Marquee will be open for **staging exhibits from 08:30 to 10:00 on the 7th August**. You can **donate your exhibits** to the end of the show auction. All you have to do is leave them in the marquee. If you want to keep your exhibit please ask for a colour dot to put on your show card. This will identify "not for sale" to the auctioneer.

The committee regrets that it cannot be responsible for any damage or loss affecting any exhibit. Any decision by the committee regarding any dispute over judging, staging, wording of classes or any other matter connected with the Show shall be final.

Dog Show

Back by popular demand! Entry fee: £2 per class

Waggiest tail	Dog most like its owner
Best dog couple	Dog fancy dress
Best turned out dog	Best child handler, under 12 yrs

Just £2 entrance fee (children free) includes a programme with a lucky number

- Gundog Scurries
- Dog Show
- Stalls inc. Tombola and Raffle
- BBQ and Bar
- And much more

Medical Detection Dogs

Is it dog no it's a drone!

The Parish Council has been asked about drone rules and regulations. If you do fly a drone, essentially your responsibilities are:

- not to fly your drone over a congested area;
- never fly within 50m of a person, vehicle or building not under your control;
- to keep your drone in sight at all times and stay below 400ft;
- to know how to fly your drone safely, and do so within the law;
- to understand that the operator is legally responsible for every flight;
- ensure any images you obtain using the drone do not break privacy laws;
- avoiding collisions, you should never fly a drone near an airport or close to aircraft. It is a criminal offence to endanger the safety of an aircraft in flight

Church News

We are very lucky to have our delightful church and its world famous Medieval wall paintings still open for regular church services. The list of services for the month ahead is posted on the noticeboard outside the church.

As a rule, the patten each month is

- Two Sundays 8am traditional service Book of Common Prayer
- Two Sundays 11.15am family communion

Please check the notice board or Benefice sheet which comes round via the village email list to see what type of service and what time. Everyone is always welcome.

The church is kept clean and welcoming by a band of volunteers. Some (whisper it) are not church-goers but are pleased just to help out.

Could you join the flower rota? There are eleven different people on the rota but there are gaps for January, February, June, November and December.

Could you help fill those weeks? It involves taking away the old flowers and making new arrangements or refreshing vases. You can use flowers from your garden, the hedgerows or a florist, and the arrangements can be any style or colours you like. It only involves going in once or twice during your turn to arrange the flowers, but makes a huge difference to how the church looks and is appreciated by villagers and visitors alike.

If you're interested or would like to know more before committing, please speak to Jean Tarver, Nirvantum, High Street or email: tarverjean@gmail.com

'Hymns and Pimms'

South Newington is part of a benefice which includes Milcombe and Bloxham. Bloxham is hosting a special event, 'Hymns and Pimms', which people from South Newington are warmly welcome to join, to celebrate the return of congregational hymn singing.

Also, you're invited to nominate your three favourite hymns and from all the nominations received the six most favourite hymns will sung on the 30th July by choir and congregation. The hymn singing will start in the church at 7pm.

The party is free, but for the purposes of catering, it would be helpful to know by email to sirtonybaldry@gmail.com whether you are attending. The event also launches the Building our Future campaign for Bloxham church : www.stmarysbloxham.org.uk/buildingourfuture

Sunday civility

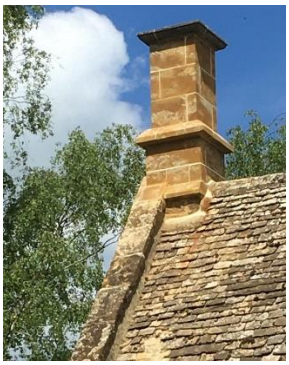
A few villagers have asked for a reminder note to be published asking very nicely if people could remember that as a village we try not to mow lawns or use noisy machinery on Sundays except when absolutely necessary.

Village Hall

Chimney repair – The hall now has a new chimney stack. Our thanks to David Hemmings who dismantled and rebuilt the chimney and part of the gable end wall below it, which was also in poor condition; Trevor Dean, the stone mason who obtained and cut the new stone; Upright Scaffolding and Zoe Sawbridge the building survey who prepared the specification for the work. Special thanks also to John and Catherine Clifton who allowed the scaffolding support to be built in their garden and left in place for many months. We could not have done the work without their forbearance.

We are also grateful to Historic England who provided a grant covering three quarters the cost. The balance was met from village hall reserves.

Chimney, June 2020



Chimney, June 2021

Development project – Acanthus Clews, our architects, have completed their feasibility study report and provided four options for reconfiguring the lean-to service area of the hall. We will organise an exhibition of the proposals and other improvements that we would like to carry out as part of the project and hold a public meeting to discuss people's views on them when the Covid restrictions allow.

Stella Darke, Village Hall chair For bookings or any questions about the hall: email darkestella@gmail.com

Hidden Treasure in South Newington?

Emily Gale, who grew up in the village and now lives with her husband Sam in Barford St John, hunts for treasure with a metal detector and made an interesting discovery in Julian Barbour's garden at College Farm. This is her report with some pictures.

Sunday 6th June 2021.

College Farm was built in 1659 and its thatched barn is probably as old. Being next to the medieval church, the garden was a tempting location for metal detecting. Given the age of the house, interesting finds were a distinct possibility. I was a little concerned about digging up Julian's immaculate lawn, but he gave me the go-ahead, so I cautiously proceeded. After about 20mins, nothing much had appeared other than a large 1967 Elizabeth II penny, but only a small section of garden had been searched at this point. Then an iffy signal came over my headphones. A grunting iron tone mixed with the chirp of something else. As I didn't know what could be lurking beneath the soil, I asked Sam to dig a hole to see what was hiding. At first, a rim of a cylindrical object appeared. I thought it was a bronze bowl and was extremely excited, however, it turned out to be nothing of note (something made of copper) and was put on the scrap heap. That's when I saw something....

Immediately underneath this non-bronze bowl was the neck of a bottle. Confused, and again with Julian's permission, the hole was extended so that we could pull out the bottle. It looked like a modern champagne bottle. Peculiar. We peered in the hole again, and discovered the neck of another bottle, and another....very odd, and it kept going! We were also pulling out chunks of steel/tin/some sort of metal with a high iron content. It was extremely brittle and completely corroded. This surrounded the bottles on all sides. Adding 2 + 2 together, I realised that the bottles has been buried together in a couple of containers. They had corroded so badly that the soil would've at some point collapsed in on itself due to the metal no longer being able to hold the weight of the earth on top of it, so we were finding everything at the perfect time. Two hours later and after creating a 2.5ft wide hole, Sam and I had removed the corroded metal and (I believe) 100% of the objects buried. They included:

2 stoneware pots 1 teacup 1 pot lid
20 bottles (almost all whole) 2 china figurines (incomplete and broken)
2 candlesticks (incomplete and broken) 3 jugs (incomplete and broken)

Having done some research, and by painstakingly putting some items back together with sellotape, I established they all came from around the 1860's and were the general kitchen waste from whoever lived in the house at the time. It was common practice to bury waste back then as modern conveniences such as bottle banks and charity shops didn't exist. A great example of this was told to me by one of my detecting friends, who, through a lot of research and assistance of the landowner, discovered two whole cars buried in a field as it was cheaper and easier to bury them than to dispose of them. Go figure.

It was a great, unexpected and exciting day, and I look forward to seeing what else could be in store to discover. 😊

Who knows what could be hidden or lost in your garden, so please get in touch if you'd be happy for me to search your garden or any land you may have to help further my hobby and potentially uncover historical and intriguing artefacts.

Emily Gale

FLOWER SHOW

The highlight of the village year is just around the corner: Saturday 7th August. Please help make this year another special event and support this most treasured, traditional event. Also, pray for sunshine ☂

How to enter categories

To enter your flowers or produce please go to the village website and look on this page: https://www.southnewington.co.uk/south-newington-flower-show-on-line-entry/

You can either enter your chosen categories online (ideally) or download and print the list of categories and bring them to the village hall on Thursday 5th August 6pm to 8pm. The full list of categories was also published in the last newsletter. You will also find instructions, such "one plain jar with cellophane lid" or "four pods" on the website and on the forms. (Editor's note: I can say from experience how important it is to read and follow these instructions!)

Please come and collect your show cards from the village hall on Thursday 5th August entry night between 6 – 8pm , if you have not already got them.

Each entry costs £1.00 for adults, capped at £10 or 50p for children, capped at £5.00 – note - this is a big incentive to enter more categories 😊

On the day, please bring your exhibits with the relevant show card to the show tent between 8.30 - 10.00am. The marquee closes at 10.15 for judging.

How we need your help

Cakes – we need a huge amount of cakes for the tea and cake stall so please get baking! Drop your cake donations at Sue's house (Wingate Cottage) by the Poleaxe on the morning of the flower show.

Bottles – volunteers will come round collecting bottles for the stall on Thursday 22nd July in the evening, but if you can drop your donations round to any of the committee members that would be a huge help.

Your time as a volunteer – please could you give one or two hours of your time to help with the show? We need people who can help before, during and after such as setting up tables, putting up gazebos and bunting, sweeping up straw, taking down bunting. The more helpers we have the easier it is for everyone, obvs, so please if you could give just one hour it will help.

To offer your time and join the rota for a set time or activity please contact Amanda, email amandablythesmith@gmail.com

Cars – there will be a display of classic cars and if you would like to display your vintage vehicle or classic car please contact Graham Fewster, email gfewster@gmail.com

Cups – there'll be a display of 'cups that tell a story' in the church (see notice following) so please do bring any items for display along with a note explaining their story to the church on the morning of the show.

Raffle – there are some great prizes up for grabs including cash, meal gift vouchers, a magnum of white wine, a cheese making kit and much more! Raffle tickets will be available at the village picnic, entries night and at the pub beforehand.

Stall holders - anyone wanting to take a stall for the show or with friends for £10 for the day please email Amanda amandablythesmith@gmail.com

Silverware – please will any cup winners return their cups (polished) to Sue Thomas at Wingate Cottage by the Polaxe.

The show itself will start earlier this year at 1.30pm. In addition to the classic car show all the favourite elements of the show will take place including

- Flower & Produce
- Dog show
- Tea and cake stall
- Brass band
- BBQ
- Hook Norton drays
- Children's games
- Church Exhibition

FLOWER SHOW SCHEDULE SAT 7 AUGUST

8.30 – 10.00	Staging of exhibits
10.15	Marque closes for judging
10.30 – 12.00	Judging
1.30	Show tent and stalls open + BBQ
1.30 – 2.30	'The Accidentals' Silver Band + Classic Car display
2.30	Dog Show 2.30
3.30	Presentation of cups & prize winners
4.30	Auction of Exhibits
	Draw for the raffle

4.45 Clear show tent + Show closes

FLOWER SHOW EXHIBITION IN THE CHURCH

The theme of this year's display in the church for the Flower Show is: "tea or coffee cups that tell a story".

"Tea is one of the main stays of civilization in this country." George Orwell.

"The path to Heaven passes through a teapot." Ancient proverb

"I have measured out my life with coffee spoons." TS Eliot

"Smell the coffee, smell the roses, whatever makes you happy"

Do you have a funny coffee cup, a favourite mug or a treasured tea tin or teapot? Please share your stories and bring along your tea sets, coffee cups or mugs to the church on Saturday 7th August to make a lovely display for people to enjoy.

Just bring whatever you are happy to display, with a description of its history or why it is special to you. Set up will from 10 – 12 in the church, in morning of August 7th before the show starts.

Flower Show committee members

The Flower Show is a huge undertaking but also huge fun. Please do join the committee or offer a few hours of your help on the day if you can. Amanda has a rota so you can just pick a time that works for you. Her contact details are below.

To show what a friendly team we are and encourage you to join us, a few brave souls have put together this handy guide to committee members so you can say hi to them and volunteer (was it mentioned we need volunteers?) for the rota.

Name: Graham Fewster and Amanda Blythe-Smith

Live: The Old Farm, South Newington

Favourite category: this will be our first year actually entering produce or flowers so let's see!! It's my first year being able to make honey which is exciting but I'm not sure it's Show standard yet!

Most memorable occasion: being pressed to join the committee as soon as we arrived in the village but loved making so many friends from it!

Show highlight: Squire winning waggiest tail 2019

Role on committee: Joint chair i.e. everything everyone else has forgotten.

Name: Nicky Smith

Lives: The Barn House, Green Lane

Favourite category : Garden on a plate

Most memorable occasion : The year my carrots were disqualified for being trimmed too short

Show highlight: Winning the sweet pea cup, was it 1995?

Role on committee: PR and communications Contact: 01295 720228 (not working on rainy days) or email Nicky@twelvepr.co.uk

---

Name: Miles Colegrave, some say Local Legend

Lives: One Barford Road

Favourite category: the erstwhile Poultry category…will be petitioning for its reinstatement next year 💪

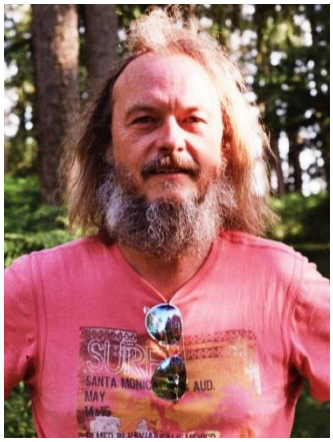
Most memorable occasion: my wife Zoe being coerced into buying a 4ft marrow. Five years on we're still eating marrow soup.

Show highlight: winning aforementioned Poultry category (primarily as only entrant)

Role on committee: BBQ Chef Contact: milescolegrave@gmail.com

---

In order to avoid too much publicity and recognition Harry has asked us to use a photo of his 2020 Covid look



Name: Harry Schulz

Lives: Langdale, Moor Lane

Favourite category: Photography

Most memorable occasion: My daughter Alissia managing the 'Name the bear' competition inside the church.

Show highlight: The 1923 mud fight, shame we don't do that anymore.

Role on committee: Spreadsheets, spreadsheets, spreadsheets. Oh and the new web submissions!

Contact: 07788 178 161 / agressoconsulting@yahoo.co.uk.

Name: Penny Waddell

Lives: The Duck on the Pond

Favourite category : All the cakes

Show highlight: My successes are yet to come

Role on committee: Anything that needs doing

Contact: 01295 721166, email info@duckonthepond.com or pop in during opening hours

---

Other committee members:

Becky Harden, Sue Thomas, Julia Streeter and Lisa Schulz

Joy Dansette from South Newington asked to share this with you

Adderbury Ukulele Group

The Adderbury Ukulele Group are based at the Adderbury Bowls Club, along the Banbury Road. During the lockdown the group have had a regular weekly practice through Zoom, but with the easing of restrictions, we have returned to the Bowls Club on Monday evenings to play outside on the patio. We have a good time strumming and singing the songs from our song books and look forward to again playing in front of an audience.

Beginner Classes.

We plan to start a beginner's class in September, providing restrictions are lifted. The class will be at 7.00 pm at the Bowls Club on a Tuesday evening with a second class at 8.00 pm if there are a lot of applications. Details about the group, bookings and beginner classes are on our website. Ukulele players are welcome to come and join us on a Monday evening.

Contact can be made through our website at: www.adderburyukes.co.uk

VILLAGE EMAIL LIST

Want to share some news with the village email list? Or be on the receiving end of village emails and information? Send your news or email address to Sue Robertson.

The list is managed according to GDPR rules and is organised by Sue. Please email her to be added or removed from the list
susanrobertsonsnem@gmail.com

In fond remembrance

We remember with fondness Terence Harper from the Barford Road who recently passed away. The Harper family have been in the village for several generations, and we send our thoughts and best wishes to his wife Mary and family.

Duck on the Pond

The first two coffee mornings at the Duck on the Pond have proved hugely popular. We plan to carry on holding them on the first Thursday of each month between 9 and 11am. The next one will be on 5th August - just in time for you to compare notes on your entries for the flower show - so put the date in your diaries!!

Observations on the best and worst aspects of lockdown

It was the best of times, it was the worst of times….

With thanks to Florence, Bertie and Felix

Going back to school in March and being able to have my last term of yr6 in the flesh with my friends was brilliant!

I am very grateful for the number of activities which my school organized for the yr 6 leavers, such as my weeks residential with the amazing Bushcraft at Cornbury Park, a leavers party (even though it had to be moved to a parent's garden due to covid restrictions), a sports day with no parents (we didn't miss them!), and finally our school play which was streamed over zoom. I get the bus from Deddington to Oxford High Girls School and that has been great fun as some of my friends go on my bus - we unfortunately did have a Covid-19 case on the bus but luckily none of my friends or me got it! Even though we spent around half the year in lockdown - I have had such a brilliant year.

COVID-19 did not stop Oxford High, we had no covid cases and did not have to wear masks! We were lucky enough for our sports clubs to start running again in May, including Cricket, Athletics and Tennis. I was sad to leave primary school, but I am very excited for my new adventure at secondary school! This summer may not be the same as previous years but I'm going to try and make it the best for me including - bike riding, going to the stream and seeing my friends!

Florence Whittle

Lockdown by Bertie and Felix Rapp

Locked away for months on end
Only your brother to play with
Connecting through google classroom
Keeping occupied with fortnite, walks, eating
Doesn't seem that bad as we live in the country
Only, no sport clubs is tough
Wet, windy, muddy days
Not the best year but at least we haven't had covid – yet!

49 CLUB WINNERS

The 49 Club raises money for the Church insurance using lottery ticket numbers. A new year for the 49 club started in March - many thanks to all those members that renewed and a warm welcome to our new members!

If you haven't done already, please do renew or start a membership to the 49 Club. There are still plenty of spare numbers and it is a fun and easy way to support our village community if you would like to join

Contact Judith Denby judithdenby@hotmail.co.uk 07866 630454 if you would like to play - the cost is only £1 per week, giving you the chance to win £20 or £35.

South Newington Weather

March, April, May 2021

The spring of 2020 has been very mixed and in some cases a record breaking one. Those of you preferring it wet, and those preferring it dry have been accommodated. People who like it cold have done well, however those who like their weather warn and sunny can only claim one day, the very last day of May. I will try to elaborate those comments.

Wet first. The March rainfall was below average at 42mm. April was very dry and well below average at 15.8mm then May came along and soaked us all with double the average at 140.4 millimetres. There was a tremendous variation between April and May.

The two wettest days were 13th May (over 3/4 of an inch in 24 hours) and 3rd May with 16.2 millimetres. In both cases most of the rain came in the daytime. The maximum rainfall on any day in April was 10mm on the 27th and this accounted for most of the months rainfall.

The dry spell lasted from 28th March to 26th April apart from some spots of rain on the 9th, 10th and 11th April (about 4mm.) This was the first time my watering can came out, because plants in tubs and pots dried out.

The cold weather enthusiasts had nine frosts in March the worst being -5.1 on the 15th. There were 19 frosts in April (-5.3 on the 17th and -5.2 on the 15th) and two in May with -0.8 on the 1st and -1.3 on the 2nd. Many gardeners with their fruit trees and garden seedlings didn't like April!

Finally, warm and sunny! The 31st May warmed up to 22.7 degrees C. There were two other days when temperatures just managed the 20 degree mark on the 30th and 31st March (21.8 and 21.5 respectively) so you could say we had three lovely days of Spring weather!! Things altered very quickly when we went to summer.

I found reference to South Newington being the coldest place in the British Isles on April 19th at -4.C We had gales on the 10th /11th March with wind up to 46 mph and 3rd May up to 40mph. Snow showers (scuds) on 5th, 11th,12th April with a covering of snow on the 11th/ 12th but gone by 10 am so no shovel needed!! Hail was noted on 13th March, 10th April, 4th, 11th, 17th , 18th (larger hail) and 24th May. The River Swere dropped quite low in April but soon built up again in May.

So summer is here. I wonder how many of you like me are missing the swallows and house martins. When we came to Millstream Farm in 1969 there were 30+ house martin nests on the eaves of the house, as well as swallows in the sheds, and this year none. At least a few College Farm swifts are still with us. I will be back with a summer report in September.

"Have a quacking good time with us!"

A fresh new bar and restaurant menu, plus a wide range of beers, ciders, spirits and wines.

Well-spaced seating indoors and lovely gardens and terrace
