

## The 49 Club

Thank you to all of you who have supported the 49 Club. As you know your contributions go towards paying for the church insurance, as well as covering the prize money.

A number of you had more than one win in the year which, unfortunately, means that some of us did not have any luck at all. Rollovers meant that there were three big wins! Whatever your luck, I do hope you will want to participate again in the new year which starts in March. You don't have to live in the village to take part – prize money can be transferred to wherever you are.

Dee and I will draw new numbers to assign to everyone in February, so can I please ask you to let me know if you are happy to continue. **New members are very welcome!**

The cost is £52 for the full year, £26 half year or £13 per quarter. If you would like to pay by transfer the bank details are:

Sort Code: 52 21 31

Account number: 16589289

Account name: South Newington 49 Club

Alternatively you can drop cheques or cash to Holm Cottage, Moor Lane or I can collect if you prefer.

I look forward to hearing from you, thank you and best wishes,

Carole
